# MISSIONARIES to MEXICO

December 2022

Dear Friends,

December was a great close to the year with 10,879 Saved in Church services and 535 Baptized! We held all 8 weekly services to handle the crowds Christmas week.

Each salvation and baptism has a great story behind it. For example David de la Cruz, one of our preachers, is working with the thousands of Central and South American immigrants going through Mexico at Joe Biden's invitation. He met a Brazilian family down town who told him that they were staying at a Catholic Church with many South Americans. David went with them to invite them all.

At the Church a Nun named Claudia stopped them and asked why they were inviting them to a Baptist Church. David gave her the gospel and asked her if she had ever received Christ as her Saviour? She said no but she wanted to. She prayed and received Christ. She then called the Priest Ricardo González. He asked the same questions and said he wanted to get saved too! He did!! 48 South Americans came from the Catholic Church and most received Christ Sunday and 11 were Baptized!

Some of the Churches we have started with our graduates in South America are really taking off in growth. Our Church in Quito Ecuador had over 2,600 recently! Our Church in Lima Peru had 1,864 Sunday. Apart from the Church in Mexico City we have started several of the largest Independent Baptist Churches in the world now. God has used your prayers and giving to do this.

All this work is fruit for your account! Thank you for keeping us on the field. We love you and are very grateful for your support!

In Christ,

Kevin Wynne
